Old Settler’s is back!

Enclosed is the registration and license agreement for booth space for the Johnson County Old Settlers festival. This year’s dates are September 8, 9, 10, 2022.

The application will be processed on a first come, first placed basis. Since the information Booth is in the center of the event, placement will commence closest to the information booth and work out away from the information booth. The Center aisle behind the Information booth (booths L61 to L70) will be reserved for Sponsors only. Sponsorship supports the entertainment for the event. The minimum sponsorship fee is $1,500.00 which includes one booth space, parade entry and mention on program. Once all spaces are filled, you will be notified by mail as to the status of your application in late July. If we do not accept your application, your money will be refunded immediately.

Since the new park is now open, commercial booths that are not trailers will be located along the main sidewalk. All food booths will be on North Cherry with south Cherry St. being used for Arts and Crafts booths. Please read the Rules and Regulations prior to signing the application. By submitting the signed application, you hereby agree to abide by the rules and regulations.

We anticipate a great crowd again this coming year and we hope you decide, once again, to become a part of the 124th year celebration event.

NOTE: email correspondence is now: osgrounds@ajlang.org this is the only email address that will be responded back to for inquiries or communications.

Sincerely,

A. J. Lang
